## SPECIAL CONCERNS

### SEPTEMBER SPECIAL CONCERN GIVING

### BENEFITS IRINGA DIOCESE

Bega Kwa Bega is the phrase we use to describe our companion synod relationship with the Iringa Diocese of the Evangelical Lutheran Church in Tanzania (ELCT). In English, the phrase means 'shoulder to shoulder', describing the way in which we accompany one another in a spirit of mutuality, inclusivity, and vulnerability.

Through the work of this partnership and the leading of God's Holy Spirit, we envision a deeper faith and fuller life, accompanying one another as participants in God's ongoing mission in both America and Tanzania.

Thank you for your support.

The logo features the words "BEGA KWA BEGA" in a bold, white, sans-serif font. The text is set against a background of a colorful, abstract pattern of overlapping geometric shapes in shades of blue, green, and yellow, resembling a mosaic or a stained-glass window.
